Northwest was the place where I was able to grow and develop as an individual. Everyone there was respectful and willing to help you, no matter what the task.

The teachers were dedicated to helping students succeed and there was no better feeling. Northwest will always be a place that you can call "home".

Saturday, November 17, 2012

Dear Friends,

Welcome to the 29th annual edition of Saturday Night Live! here at Northwest Catholic High School. Since our beginning in 1984 this event has raised hundreds of thousands of dollars to support the operation of Northwest Catholic High School and create a school of excellence. In addition, this event has been an integral part of creating the sense of community that has been so much a part of the identity of NWC over its entire existence.

This evening we are pleased to present you with many opportunities for fun and fellowship. From the ever popular International Food Court to the Gospel Choir, you will have fun, enjoy your friends and contribute to a great cause. Tonight you will see a few new items and some favorites moved to different venues; all-in-all, an evening to remember.

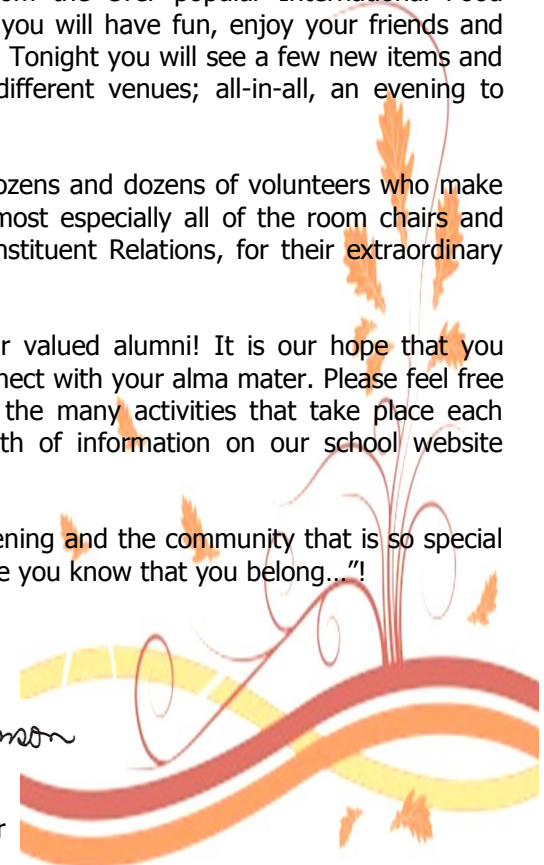

I would like to thank the dozens and dozens of volunteers who make this evening possible and most especially all of the room chairs and Jane Leary, Director of Constituent Relations, for their extraordinary dedication.

Welcome back to all of our valued alumni! It is our hope that you enjoy yourselves and reconnect with your alma mater. Please feel free to join us in any other of the many activities that take place each year. You will find a wealth of information on our school website www.northwestcatholic.org.

So, relax and enjoy this evening and the community that is so special - Northwest Catholic, "where you know that you belong..."!

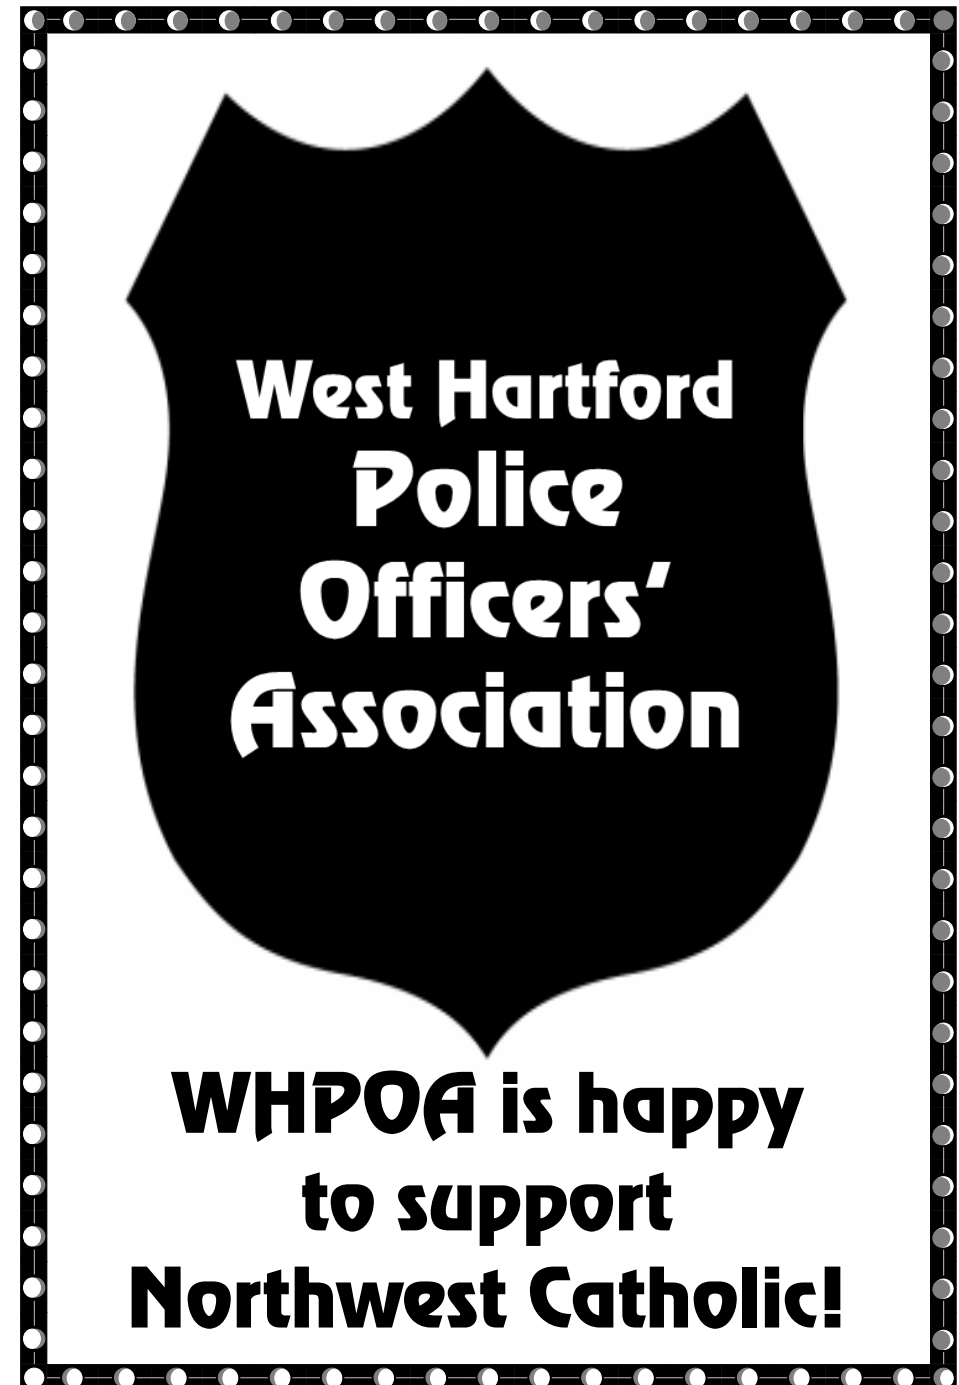

Sincerely,

Margaret Williamson
Principal/Chief Administrator
